

Memorandum of Understanding

between

Rajamangala University of Technology Rattanakosin (RMUTR), Kingdom of Thailand

and

Tianjin University of Science and Technology (TUST), the People's Republic of China

Rajamangala University of Technology Rattanakosin (RMUTR), Kingdom of Thailand and Tianjin University of Science and Technology (TUST), the People's Republic of China, with the aim of encouraging and promoting and enhancing academic collaboration between the two universities in various fields on the principles of mutual friendship, equality and benefit, hereby agree on the following:

1. Within the fields that are mutually acceptable, the following activities of cooperation will be pursued.
 - 1) Exchange of faculty members and experts
 - 2) Exchange of students and researchers
 - 3) Human resource development cooperation
 - 4) Joint research and academic programs
 - 5) Cultural exchange
 - 6) Other academic activities and exchange relevant to international collaboration
2. In implementing activities based on the preceding paragraph, the universities may exchange individual memoranda by mutual agreement.
3. This agreement does not place any financial obligation on either university.
4. This agreement may be modified or amended upon mutual accord and approval by the mutual discussion and consent of the two universities.
5. This agreement is valid for five years starting from the date of signature. It also may be terminated by one of the Universities upon prior notice to the other in writing not later than six months before the termination date. After the initial first-five years, this agreement shall be automatically renewed for another period of five years.
6. This agreement is written in English in 2 (two) copies, each party receiving 1 (one) copy. Both copies are authentic.
