

MEMORANDUM OF AGREEMENT

Between

Rajamangala University of Technology Rattanakosin and Camosun College

This agreement is designed to formalize the relationship between Rajamangala University of Technology Rattanakosin (RMUTR), Nakorn pathom, Thailand, and Camosun College, Victoria, Canada. It provides the foundation for a continuing international and intercultural understanding between our two institutions.

RMUTR and Camosun College recognize and together support the following principles:

1. Our institutions have a strong commitment to education and human resources development and recognize that a close relationship is of mutual benefit.
2. Learning opportunities offered to our staff, faculty, and administrators significantly enhance mutual understanding between our two societies.
3. Learning opportunities, either through study or work experience, offered to our students significantly enhances their opportunities for success in a global economy.
4. Our institutions recognize the importance of on-going dialogue, consultation and cooperative efforts in developing programs and activities for the benefit of our students our staff and our societies.
5. Our institutions respect and value each other's unique educational and human resources development objectives.

While the specific provisions of the agreement shall be decided by mutual consent of both institutions, it is generally agreed that this Agreement will cover the following activities:

1. Study Tours

Study Tours which support the relationship and enable administrators and instructors to visit Camosun College from RMUTR to study North American educational administration practices and current trends in cooperative and higher education, evaluation and online learning management. Areas of overlap and development will include, but not be limited to the faculties and departments of Trade and Technology, Business, Visual Arts, English Language development, and Tourism & Hospitality. Details will be determined on a case-to-case basis.
