

# Universitas Sebelas Maret

Public University

**Address:** Jalan Ir. Sutami 36 Kentingan, Jebres, Surakarta, Jawa Tengah, Indonesia 57126

**Phone:** (+62)271-646994

**Fax.:** (+62)271-646655

**Email:** campus@mail.uns.ac.id

**Website:** <https://uns.ac.id/en/>

## Program of Study

Undergraduate Programs	
Faculty/School	Disciplines
Faculty of Engineering	Civil Engineering
	Architectural Engineering
	Industrial Engineering
	Mechanical Engineering
	Chemical Engineering
	Urban and Regional Planning
	Electrical Engineering
	<b>Vocational Programs</b>
	Chemistry Engineering (3 yrs.)
	Mechanical Engineering (3 yrs.) Main Interests: a. Production b. Automotive
	Civil Engineering (3 yrs.)
	Main Interests: a. Transportation; b. Construction; c. City Infrastructure
Faculty of Economics and Business	Development Economics
	Accounting
	Management
	<b>Vocational Programs</b>
	Marketing Management (3 yrs.)
	Taxation Accounting (3 yrs.)
	Accounting (3 yrs.)
	Finance and Banking (3 yrs.)
	Business Management (3 yrs.)
Faculty of Cultural Science	Trade Management (3 yrs.)
	Historical Science
	Local Literature (Javanese Language and Literature)
	Arabic Language and Literature
	Indonesian Language and Literature
	English Language and Literature

Faculty of Cultural Science	<b>Vocational Programs</b>
	English Language and Literature (3 yrs.)
	Mandarin Language (3 yrs.)
	Tourism Business (3 yrs.)
Faculty of Arts and Design	Visual Communication Design
	Interior Design
	Craft Arts (Textile Design)
	Fine Arts
	<b>Vocational Programs</b>
	Visual Communication Design (3 yrs.)
Faculty of Mathematics and Natural Science	Biology
	Physics
	Chemistry
	Mathematics
	Informatics (Computer Science)
	Pharmacy
	Statistics
	<b>Vocational Programs</b>
	Pharmacy
	Informatics Engineering (3 yrs.)
	Main Interests: a) Information Management; b) Information Engineering; c) Computer Engineering
Faculty of Social and Political Science	Communication Science
	Sociology
	State Administration Science
	International Relations
	<b>Vocational Programs</b>
	Administration Management (3 yrs.)
	Library Science (3 yrs.)
	Applied Communication (3 yrs.) Core Interests: advertising, broadcasting, and public relations
Faculty of Teacher Training and Education	Physics Education
	Chemistry Education
	Biology Education
	Mathematics Education
	Mechanical Engineering Education
	Structural Engineering Education
	Informatics and Computer Engineering Education
	Physical Health and Recreation Education
	Sport Coaching Education
	History Education
	Pancasila and Civics Education
	Economics Education
	Geography Education
	Sociology Anthropology Education
	Accounting Education

Faculty of Teacher Training and Education	Office Administration Education
	Special Education
	Elementary School Teacher Education
	Guidance and Counseling Education
	Early Childhood Education
	Indonesian Language and Literature Education
	English Language Education
	Fine Art Education
	Javanese Language Education
	Science Education
Faculty of Agriculture	Agribusiness
	Soil Science
	Agricultural Extension & Communication
	Agrotechnology
	Animal Husbandry
	Food Technology
	<b>Vocational Programs</b>
	Agribusiness (3 yrs.) Main interests of Agropharmacy, Horticulture and Gardening Architecture, and Animal Husbandry
	Agricultural Product Technology (3yrs.)
Faculty of Medicine	Medicine Education
	Psychology
	<b>Vocational Programs</b>
	Health and Company Hygiene and Work Safety (3 yrs.)
	Midwifery (3 yrs.)
	Work Health (4 yrs.)
	Midwifery (4 yrs.)
Faculty of Law	Law Science
Faculty of Sports	Physical Health and Recreation Education
	Sport Coaching Education
<b>Postgraduate Programs</b>	
Faculty of Economics and Business	<b>Doctoral Programs</b>
	Economic Science
	<b>Master Programs</b>
	Accounting
	Development Economics
	Management
	Core interest: a) Human Resource Management; b) Marketing Management; and c) Islamic Financial Management.
	<b>Professional Programs</b>
	Profession in Accounting
Faculty of Teacher Training and Education	<b>Doctoral Programs</b>
	Indonesian Language Education
	Education Science
	Natural Science Education

Postgraduate Programs	
Faculty of Teacher Training and Education	<b>Master Programs</b>
	Economic Education
	History Education
	Education Technology
	Main Interest: a. Educational Technology; b. Medical Education;
	Indonesian Language Education
	English Education
	Mathematics Education
	Science Education
	Population and Environmental Education
	Concentration: a. Demography and Environmental Education; b. Geography Education;
	Javanese Education
	Elementary School Teacher Education
	Non Formal Education
	Art Education
Faculty of Medicine	<b>Doctoral Programs</b>
	Psychiatry
	Orthopedics and Traumatology
	Surgery Science
	Obstetrics and Gynecology
	Anesthesiology and Reanimation
	Pediatrics
	Internal Disease Science
	Clinical Pathology
	Neurology
	Pulmonology and Respiration Medical
	Cardiovascular Science
	Ear Nose and Throat Medical Science and Cranial Surgery Science
	Dermatology and Venereal Disease Science
	Radiology
	<b>Professional Programs</b>
	Profession in Doctor
Faculty of Law	<b>Doctoral Programs</b>
	Law Science
	<b>Master Programs</b>
	Law Science
	Notary
Faculty of Sports	Master of Sports Education
	Doctoral of Sports Education
Postgraduate School	<b>Doctoral Programs</b>
	Linguistics
	Environmental Science
	Development Extension

Postgraduate Programs	
Postgraduate School	Agricultural Science
	Cultural Studies
	Sport Education
	Communication
	Civil Engineering
	Public Health Science
	Mechanical Engineering
	Biology Studies
	<b>Master Programs</b>
	Public Administration
	Sport Education
	Cultural Studies
	Agribusiness
	Agronomy
	Bioscience
	Physics Science
	Public Health Science
	Communication Science
	Environmental Science
	Main Interests: a) Fresh Water Ecosystem; b)Water Resource Management
	Linguistics
	Nutrition Science
	Agricultural Extension & Communication
	Main Interests: a) Development Extension Science; b) Community Development
	Sociology
	Mechanical Engineering
	Civil Engineering
	Family Medicine
	Main Interests: a) Medical Profession Service; b)Health Profession Education; c) Biomedical Science;S-2 Chemistry
	Fine Arts
	Industrial Engineering
	Chemistry Engineering
	Physics Education
	Chemistry Education
	Biology Education
	Architectural
	Pancasila and Civics Education
	Sport Science
	Soil Science
