

# Jiangxi Normal University

Public University

## Address:

99 Ziyang Avenue, Nanchang City Jiangxi Province, 330022, P.R. China

**phone:** +86 0791-88120703

**Email:** foreignstudents@jxnu.edu.cn

**Website:** <https://www.jxnu.edu.cn>

## Program of study

Undergraduate Programs	
Faculty/School	Disciplines
School of Geography and Environment	Geography
	Geographical Information Science
	Physical Geography and Resources, Environment
School of Computer and Information Engineering	Computer Science and Technology
	Data Science and Big Data
	Artificial Intelligence
School of Physical Education and Sports	General Scholar
	Physical Education
	Social Sports Instruction and Administration
	Sports Training
School of Life Sciences	Martial Arts and Traditional Ethnic Sports
	Biotechnology
	Bioengineering
School of Chemistry and Chemical Engineering	Bioscience
	Chemistry (4 years)
	Applied Chemistry
School of Physics, Communication and Electronics	Materials Chemistry
	Physics (4 years)
	Communication Engineering
	Electronic Information Engineering
School of Mathematics & Information Science	Optoelectronic Information Science and Engineering
	Mathematics and Applied Mathematics
	Statistics
School of Business	E-Commerce
	Business Administration
	International Economics and Trade
School of Fine Art	Fine Arts (4 years)
	Painting
	Visual Communication Design
	Environment Design
	Product Design
	Animation

Undergraduate Programs (continued)	
Faculty/School	Disciplines
School of Music	Musicology
	Music Performance
	Dancology
	Broadcasting and Hosting
	Performance (Drama and Film-and-Television)
School of Foreign Languages	English
	Japanese
	Russian
	French
School of Marxism	Ideological and Political Education
	Marxist Theory (4 years)
School of Political Science and Law	Science of Law
	Administration Management
	Social work
School of History Culture and Tourism	History
	Cultural Industry Management
	Tourist Management
	Cultural Heritage and Museology

Postgraduate Programs	
Faculty/School	Disciplines
School of Geography and Environment	<b>Master's Programs</b>
	Regional Economics
	Subject Teaching(Geography)
	Physical Geography
	Human Geography
	Cartography and Geography Information System
	Environment Geography
	Ecology
	Virtual Reality Technology and Application
	Ecosystem Computing and Services
	<b>Doctoral Programs</b>
	Geography
School of Computer and Information Engineering	<b>Master's Programs</b>
	Computer Science and Technology
	Virtual Reality Technology and Application
	Software Engineering
	Computer Technology
	Software Engineering
	Artificial Intelligence
	Big data technology and Engineering
	Network Information Security

Postgraduate Programs (continued)	
Faculty/School	Disciplines
School of Physical Education and Sports	<b>Master's Programs</b>
	Sports Science
	Physical Education
	<b>Doctoral Programs</b>
	Sports Science
School of Life Sciences	<b>Master's Programs</b>
	Subject Teaching(Biology)
	Biology
	Ecology
	Biomedicine
	<b>Doctoral Programs</b>
School of Chemistry and Chemical Engineering	Biology
	<b>Master's Programs</b>
	Subject Teaching(Chemistry)
	Science and Technology Education
	Chemistry (3 years)
	Chemical Engineering and Technology
	Material and Chemical Industry
	<b>Doctoral Programs</b>
School of Physics, Communication and Electronics	Chemistry (3 years)
	<b>Master's Programs</b>
	Subject Teaching(Physics)
	Physics (3 years)
	Information and Communication Engineering
	New-generation Electronic Information Technology
	Communication Engineering
	Optoelectronic Information Engineering
	<b>Doctoral Programs</b>
School of Mathematics & Information Science	Physics (3 years)
	<b>Master's Programs</b>
	Subject Teaching(Mathematics)
	Mathematics
	Statistics
School of Business	<b>Doctoral Programs</b>
	Mathematics
	<b>Master's Programs</b>
	Corporate Management
	Technical Economics and Management
	Marketing
	Human Resource Management
	Business Administration (MBA)
	International Business (MIB)
	Applied Economics

Postgraduate Programs (continued)	
Faculty/School	Disciplines
School of Fine Art	<b>Master's Programs</b>
	Subject Teaching (Fine Arts)
	Fine Art
	Design
	Fine Arts (3 years)
	Art Design
	Virtual Reality Technology and Application
School of Music	<b>Master's Programs</b>
	Musicology and Dancology
	Theatre and Film Studies
	Music (MFA)
	Dance
	Radio and Television
	Drama
School of Foreign Languages	<b>Master's Programs</b>
	Subject Teaching(English)
	English Language and Literature
	Linguistics and Applied Linguistics in Foreign Languages
	French Language and Literature
	Intercultural Studies
	English Translation
	English Interpretation
	Japanese Translation
School of Marxism	<b>Master's Programs</b>
	Philosophy
	Political Science
	Marxist Theory (3 years)
	Subject Teaching (Ideology and Politics)
	<b>Doctoral Programs</b>
	Marxist Theory (3 years)
School of Political Science and Law	<b>Master's Programs</b>
	Science of Law
	Administration Management
	Social Security
	Law (Non-Law Majors)
	Law (Law Majors)
	Social Work
	Public Administration
School of History Culture and Tourism	<b>Master's Programs</b>
	Subject Teaching(History)
	History of China
	Traditional Culture and Cultural Industry
	World History
	Tourist Administration (3 years)
	Tourist Administration (2 years)
	<b>Doctoral Programs</b>
	Chinese History
