	Japanese
	Business English
	Translation and Interpreting
School of Educational Science (School of Special Education)	Preschool Education
	Elementary Education
	Special Education (teacher training)
	Psychology (teacher training)
School of Computer Science and Intelligence Education	Educational Technology
	Computer Science and Technology
	Software Engineering
	Applied Electronic Technology Education
	Artificial Intelligence
School of Electronic and Electrical Engineering	Electronic Information Engineering
	Internet of Things Engineering
	Smart Grid Information Engineering
	Electrical Engineering and Automation
	Electronic Information Engineering

Undergraduate/Postgraduate Programs	
Faculty/School	Disciplines
School of Mathematics and Statistics	Mathematics and Applied Mathematics (teacher training)
	Information and Computing Science
	Statics
School of Physical Science and Technology	Science Education (teacher training)
	Applied Physics
	Physics (teacher training)
School of Geographic Science	Geographic Science (teacher training)
	Geographic Information Science
School of Chemistry and Chemical Engineering	Applied Chemistry
	Chemistry
	Pharmaceutical Engineering
	Polymer Materials and Engineering
	Chemical Engineering and Process
School of Life Science and Technology	Bioscience (teacher training)
	Biotechnology
	Landscape Architecture
	Exploitation Technology of Marine Resources
School of Food Science and Engineering	Food Science and Engineering
	Food Quality and Safety
	Cuisine and Nutrition Education (teacher training)
School of Business	International Economy and Trade
	Business Administration
	Marketing
	Financial Accounting Education
	Electronic Commerce
	Financial Management
School of Sports Science (Asian Underwater College)	Physical Education (teacher training)
	Social Sports Guide and Management
	Physical Training
	Athletic Rehabilitation
School of Fine Arts and Design	Fine Arts (teacher training)
	Visual Communication Design
	Environmental Design
	Clothing and Ornament Design
	Calligraphy (teacher training)
School of Music and Dance	Musical Performance
	Musicology (teacher training)
	Dancology (teacher training)
School of Electromechanical Engineering	Automobile Service Engineering
	Electromechanics Technology Education
	Mechanical Design Manufacture and Automation
	Industrial Design
	Robotic Engineering
	Mechanical and Electronic Engineering Technology
